KS specializes in Graphic Design, Program Development, Project Management, Editing, Grant Proposal Writing, Funding Research, Group Facilitation, and Market Research & Analysis. Kuntzsch Solutions helps its clients to plan, fund, and implement projects and initiatives that drive community and economic development in Michigan. They provide a suite of integrated solutions, including facilitation, planning, funding development, market research and analysis, program management, and marketing services. They conduct research and analysis to translate data into knowledge that informs decision-making. They facilitate groups to develop plans and strategies with a focus on implementation. They develop funding strategies and have helped their clients cultivate tens of millions of dollars in public and private funding. They also design and develop reports, promotional materials, websites, and graphics to communicate their clients' messages.
